HOW IT WORKS

1. Initiation
   Member contacts call center toll free at 888.899.1447. Please reference Account #4910H.

2. Registration and Referral
   Hearing Counselor registers member and issues referral to local participating provider.

3. Payment Processing
   After patient is seen, provider sends hearing device recommendation with patient's audiometric results to GVS National. We will contact patient to discuss recommendation, insurance coverage, and any applicable out-of-pocket expense with payment and financing options.

4. Fitting and Trial Period
   The hearing device(s) are ordered by provider. Patient is fit with the hearing device(s), beginning their 45 day trial period.

5. Finalization
   At the completion of the 45 day trial period, both patient and provider sign off on the hearing device(s). Patient is then mailed a complimentary one year supply of batteries and the repair warranty is extended to 3 years (excludes Basic Level Devices).
